

Introduction and guide to Think Brain Health Global media pack

**Think Brain
Health Global**
ACT EARLY!

Thank you for requesting the Think Brain Health Global media pack. This media pack is intended for journalists and other individuals who work in the media to help you spread the message that 'what's good for the heart is good for the brain'.

In this media pack you will find key information about Think Brain Health Global, and our resources. Please see below for the full contents list.

If you would like to find out more about the Think Brain Health Global initiative, please visit our website: www.thinkbrainhealth.org/, or contact info@thinkbrainhealth.org.

You can also follow us on Twitter [@TBHTimeMatters](https://twitter.com/TBHTimeMatters) and on [LinkedIn](https://www.linkedin.com/company/think-brain-health-global) to keep up with the latest news.

Media pack contents

- 1. Think Brain Health Global resources list (with links)**
- 2. Think Brain Health Global vision and mission**
- 3. Think Brain Health Global strategy 2022–2023**
- 4. Think Brain Health Global endorsers**

The international professional and advocacy organizations that endorse the recommendations made in [Time matters: a call to prioritize brain health](#).

- 5. Think Brain Health Global social media channels**
- 6. About Oxford Health Policy Forum**

Think Brain Health Global is an initiative run by Oxford Health Policy Forum (OHPF), a not-for-profit community interest company registered in England and Wales (registration number: 10475240). This short booklet gives an overview of OHPF and its work, including the vision and mission of OHPF, the campaigns that OHPF has supported and the impact these have made. The booklet also provides details on how you can partner with OHPF on a policy change programme.
